GRANT AWARD NOTIFICATION

- (2) The Office of Management and Budget requires all Federal agencies to assign a Federal Award Identifying Number (FAIN) to each of their financial assistance awards. The PR/AWARD NUMBER identified in Block 2 is your FAIN. If subawards are permitted under this grant, and you choose to make subawards, you must document the assigned PR/AWARD NUMBER (FAIN) identified in Block 2 of this Grant Award Notification on each subaward made under this grant. The term subaward means:
 1. A legal instrument to provide support for the performance of any portion of the substantive project or program for which you received this award and that you as the recipient award to an eligible subrecipient. (See 2 CFR 200.331(a))
 2. The term does not include your procurement of property and services needed to carry out the project or program (The payments received for goods or services provided as a contractor are not Federal awards, see 2 CFR 200.501(f) of the OMB Uniform Guidance: "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards").
 3. A subaward may be provided through any legal agreement, including an agreement that you or a subrecipient considers a contract. (See 2 CFR 200.1)
- (3) Unless this grant solely funds research, you must comply with new regulations regarding awards to faith-based organizations (FBOs) that provide beneficiary services under this grant or under a contract you award to provide beneficiary services under this grant. These new regulations clarify the rights of FBOs and impose certain duties on FBOs regarding the referral of beneficiaries they serve. See 34 CFR 75.52, 75.712-75.714, appendix A to part 75, and 2 CFR 3474.15. The Department has established a web page that provides guidance on the new regulations, including FAQs and other implementation tools, which is available at <http://www2.ed.gov/policy/fund/reg/fbci-reg.html>. If you have any questions about these regulations, please contact the Education Program Contact identified in Block 3 of this GAN.
- (4) In accordance with 34 CFR 75.234(b), this award is classified as a cooperative agreement and will include substantial involvement on the part of the education program contact identified in Block 3. This award is made with the condition that the recipient and the U.S. Department of Education (Department) establish within 60 days of award, and successfully maintain, a cooperative agreement, which delineates the special provisions between the Department and the recipient, signed by both parties.

If you wish to request reconsideration of these specific conditions, please send written notification describing why such conditions should not be imposed on this grant to your Department program officer.

- (5) Reimbursement of indirect costs is subject to the availability of funds and statutory and regulatory restrictions. The negotiated indirect cost rate agreement authorizes a non-Federal entity to draw down indirect costs from the grant awards. The following conditions apply to the below entities.

A. All entities (other than institutions of higher education (IHE))

The GAN for this grant award shows the indirect cost rate that applies on the date of the initial grant for this project. However, after the initial grant date, when a new indirect cost rate agreement is negotiated, the newly approved indirect cost rate supersedes the indirect cost rate shown on the GAN for the initial grant. This new indirect cost rate should be applied according to the period specified in the indirect cost rate agreement, unless expressly limited under EDGAR or program regulations. Any grant award with an approved budget can amend the budget to account for a change in the indirect cost rate. However, for a discretionary grant award any material changes to the budget which may impact the scope or objectives of the grant must be discussed with the program officer at the Department. See 34 CFR 75.560 (d)(3) (ii) (part 75 of EDGAR).

B. Institutions of higher education (IHE)

Under 2 CFR part 200, Appendix III, Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Institutions of Higher Education (IHEs), the Department must apply the negotiated indirect cost rate in effect on the date of the initial grant award to every budget period of the project, including all continuation grants made for this project. See 2 CFR Part 200, Appendix III, paragraph C.7. Therefore, the GAN for each continuation grant will show the original indirect cost rate and it applies to the entire period of performance of this project. If the indirect cost rate agreement that is applicable to this grant does not extend to the end of the grant's project period, the indirect cost rate

set at the start of the project period must still be applied to the end of project period regardless of the fact that the rate has otherwise expired.

- (6) In accordance with 35 CFR 75.234(b), this award is classified as a cooperative agreement and will include substantial involvement on the part of the education program contact identified in block 3. This award is made with the condition that the recipient and the U.S. Department of Education successfully maintain its current cooperative agreement, which delineates the special provisions between the U.S. Department of Education and the recipient, signed by both parties.

If you wish to request reconsideration of this/these specific condition(s), please send written notification describing why such condition(s) should not be imposed on this grant to your Department program officer.

SPECIFIC GRANT TERMS AND CONDITIONS FOR FINANCIAL AND PERFORMANCE REPORTS

PERFORMANCE REPORTS:

(1) FINAL REPORTS - ALL RECIPIENTS are required to submit a final performance report within 120 days after the expiration or termination of grant support in accordance with submission instructions provided in box 10 of the Grant Award Notification (GAN), or through another notification provided by the Department of Education (Department) ([2 CFR § 200.329\(c\)](#)).

(2) ANNUAL, QUARTERLY, or SEMIANNUAL REPORTS - ALL RECIPIENTS of a multi-year discretionary award must submit an annual Grant Performance Report ([34 CFR § 75.118](#)). The annual performance report shall provide the most current performance and financial expenditure information that is sufficient to meet the reporting requirements of 2 CFR §§ [200.328](#), [200.329](#), and [34 CFR § 75.720](#).

Your education program contact will provide you with information about your performance report submissions, including the due date, as a grant term or condition in box 10 on the GAN, or through another notification provided by the Department. The grant term or condition in box 10 on the GAN or another notification may reflect any of the following:

1. That a performance report is due before the next budget period begins. The report should contain current performance and financial expenditure information for this grant. It will either identify the date the performance report is due or state that the Department will provide additional information about this report, including due date, at a later time.
2. That an interim performance report is required because of the nature of the award or because of statutory or regulatory provisions governing the program under which this award is made, and that the report is due more frequently than annually as indicated, e.g., due quarterly and submitted within 30 days after the end of each quarter, or due semiannually and submitted within 30 days after the end of each 6-month period ([2 CFR § 200.329\(c\)\(1\)](#)).
3. That other reports are required, e.g., program specific reports required in a program's statute or regulation.

(3) FINANCIAL REPORTS – SOME RECIPIENTS:

If a financial report is required, your education program contact will provide you with information about your financial report submission, including the due date, as a grant term or condition in box 10 on the GAN, or through another notification.

A [Standard Form \(SF\) 425 Federal Financial Report \(FFR\)](#) is required if:

1. A grant involves cost sharing, and the ED 524B, which collects cost sharing information, is not submitted or a program-specific report approved by U.S. Office of Management and Budget (OMB) does not collect cost sharing information;
2. Program income was earned;

3. Indirect cost information is to be reported and the ED 524B was not used or a program-specific report approved by OMB does not collect indirect cost information;
4. Program regulations or statute require the submission of the FFR; or
5. Specific Award Conditions, or specific grant or subgrant conditions for designation of "high risk," were imposed in accordance with 2 C.F.R. part [200.208](#) and part [3474.10](#) and required the submission of the FFR.

If the FFR is required, the notification may indicate one of the following (see the form and its instructions at [Standard Form \(SF\) 425 Federal Financial Report \(FFR\)](#)):

1. Quarterly - FFRs are required for reporting periods ending on 12/31, 03/31, 06/30, 09/30, and are due within 30 days after each reporting period.
2. Semi-annual - FFRs are required for reporting periods ending on 03/31 and 09/30, and are due within 30 days after each reporting period.
3. Annual - FFRs are required for reporting period ending 09/30, and is due within 30 days after the reporting period.
4. Final - In coordination with the submission of final performance reports, FFRs are due within 120 days after the project or grant period end date (2 CFR [200.328](#)).

When completing an FFR for submission, the following must be noted:

1. *Multiple Grant Reporting Using SF 425A Prohibited:* While the FFR is a governmentwide form that is designed for single grant and multiple grant award reporting, the Department's policy is that multiple grant award reporting is not permitted for Department grants. Thus, a Department grantee that is required to submit an FFR in accordance with any of the above referenced selections must complete and submit one FFR for each of its grants. Do not use the FFR attachment (Standard Form 425A), which is available for reporting multiple grants, for reporting on Department grants. As such, references to multiple grant reporting and to the FFR attachment in items 2, 5 and 10 of the FFR are not applicable to Department grantees. With regards to item 1 of the note found in the FFR Instructions, a grantee must complete items 10(a) through 10(o) for each of its grants. The multiple award, multiple grant, and FFR attachment references found in items 2, 5, 6, before 10(a), in item 10(b), before 10(d), before 10(i) and before 10(l) of the Line Item Instructions for the FFR are not applicable to Department grants.
2. *Program Income:* Unless disallowed by statute or regulation, a grantee will complete item 10(m) or 10(n) in accordance with the options or combination of options as provided in 2 CFR Part [200.307](#). A grantee is permitted, in accordance with 2 CFR Part [200.307](#), to add program income to its Federal share to further eligible project or program objectives, use program income to finance the non-Federal share of the project or program; and deduct program income from the Federal share of the total project costs.
3. *Indirect Costs:* A grantee will complete item 11(a) by listing the indirect cost rate type identified on its indirect cost rate agreement, as approved by its cognizant agency for indirect costs.

A Department grantee that does not have an indirect cost rate agreement approved by its cognizant agency for indirect costs, and that is using the Department approved (beyond the 90-day temporary period) temporary indirect cost rate of 10% of budgeted direct salaries and wages, or the de minimis rate of 10% of modified total direct cost (MTDC) must list its indirect cost rate in 11(a) as a Department Temporary Rate or De Minimis Rate. The de minimis rate of 10% of MTDC consists of:

All direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and contracts up to the first \$25,000 of each subaward (i.e., subgrant). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$25,000. Other items, including contract costs in excess of \$25,000, may be excluded when necessary to avoid a serious inequity in the distribution of indirect costs (see definition of MTDC at [2 CFR § 200.1](#)).

A training program grantee whose recovery of indirect cost limits indirect cost recovery to 8% of MTDC or the grantees negotiated indirect cost rate, whichever is less in accordance with EDGAR [§ 75.562 \(c\)](#), must list its rate in 11(a) as a Department Training Grant Rate. The 8% limit does not apply to agencies of Indian tribal governments, local governments, and States¹ as defined in [2 CFR § 200.1](#)

A restricted program grantee must list its rate as a Restricted Indirect Cost Rate in 11(a). A restricted program (i.e., programs with statutory supplement-not-supplant requirements) grantee must utilize a restricted indirect cost rate negotiated with its cognizant agency for indirect costs, or may elect to utilize a restricted indirect cost rate of 8% MTDC if their negotiated restricted indirect cost rate calculated under 34 CFR [75.563](#) and [76.564 – 76.569](#), is not less than 8% MTDC. A State or local government² that is a restricted program grantee may not elect to utilize the 8% MTDC rate. Additionally, restricted program grantees may not utilize the de minimis rate, but may utilize the temporary rate until a restricted indirect cost rate is negotiated. If a restricted program grantee elects to utilize the temporary rate, it must list its rate as a Department Temporary Rate in 11(a).

Grantees with indirect cost rates prescribed in program statute or regulation must list their rate as a Rate Required in Program Statute or Regulation in 11(a). Grantees are required to follow program-specific statutory or regulatory requirements that mandate either indirect cost rate type or maximum administrative costs recovery.

For detailed information including restrictions related to temporary, de minimis, training, restricted, and program prescribed indirect cost rates see GAN ATTACHMENT 4.

4. *Supplemental Pages:* If grantees need additional space to report financial information, beyond what is available within the FFR, they should provide supplemental pages. These additional pages must indicate the following information at the top of each page: the PR/Award Number

¹ Note that a State-funded institution of higher education is not considered a “State government” for these purposes; and a Tribal college or university funded by a federally-recognized Tribe is not considered a Tribe for these purposes.

AN OVERVIEW OF SINGLE AUDIT REQUIREMENTS OF STATES, LOCAL GOVERNMENTS, AND NONPROFIT ORGANIZATIONS

This GAN ATTACHMENT is not applicable to for-profit organizations. For-profit organizations comply with audit requirements specified in block 10 of their Grant Award Notification (GAN).

Summary of Single Audit Requirements for States, Local Governments and Nonprofit Organizations:

1. Single Audit. A non-Federal entity (a State, local government, Indian tribe, Institution of Higher Education (IHE)¹, or nonprofit organization) that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted in accordance with 2 CFR 200.501, "Audit Requirements," except when it elects to have a program specific audit conducted.
2. Program-specific audit election. When an auditee expends Federal awards under only one Federal program (excluding research and development (R&D)), and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of the auditee, the auditee may elect to have a program-specific audit conducted. A program-specific audit may not be elected for R&D unless all of the Federal awards expended were received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.
3. Exemption when Federal awards expended are less than \$750,000. A non-Federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in 2 CFR 200.503, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO). Generally, grant records must be maintained for a period of three years after the date of the final expenditure report ([2 CFR § 200.334](#))
4. Federally Funded Research and Development Centers (FFRDC). Management of an auditee that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity.
5. Report Submission. To meet audit requirements of U.S. Office of Management and Budget (OMB) Uniform Guidance: Cost Principles, Audit, and Administrative Requirements for Federal Awards (Uniform Guidance), grantees must submit all audit documents required by Uniform Guidance 2 CFR 200.512, including Form SF-SAC: Data Collection Form electronically to the Federal Audit Clearinghouse at:

¹ As defined under the Higher Education Act of 1965, as amended (HEA) section 101.

<https://facides.census.gov/Account/Login.aspx>.

The audit must be completed, and the data collection form and reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period. If the due date falls on a Saturday, Sunday, or Federal holiday, the reporting package is due the next business day. Unless restricted by Federal statutes or regulations, the auditee must make copies available for public inspection. Auditees and auditors must ensure that their respective parts of the reporting package do not include protected personally identifiable information. (2 CFR 200.512)

Grantees are strongly urged to obtain the "OMB Compliance Supplement" and to contact their cognizant agency for single audit technical assistance.

The designated cognizant agency for single audit purposes is "the Federal awarding agency that provides the predominant amount of direct funding to the recipient." Grantees should obtain a copy of the OMB Compliance supplement. This supplement will be instructive to both grantees and their auditors. Appendix III of the supplement provides a list of Federal Agency Contacts for Single Audits, including addresses, phone numbers, fax numbers, and e-mail addresses for technical assistance.

For single audit-related questions, if the U.S. Department of Education is the cognizant agency, grantees should contact the Non-Federal Audit Team in the Department's Office of Inspector General, at oignon-federalaudit@ed.gov. Additional resources for single audits are also available on the Non-Federal Audit Team's website at <https://www2.ed.gov/about/offices/list/oig/nonfed/index.html>. For programmatic questions, grantees should contact the education program contact shown on the Department's GAN.

Grantees can obtain information on single audits from:

The OMB website at www.omb.gov. Look under Office of Management and Budget (in right column) then click Office of Federal Financial Management (to obtain OMB Compliance Supplement). The SF-SAC: Data Collection Form can be found at the Federal Audit Clearinghouse at: <https://facides.census.gov/Files/2019-2021%20Checklist%20Instructions%20and%20Form.pdf>.

**SPECIFIC CONDITIONS FOR DISCLOSING
FEDERAL FUNDING IN PUBLIC ANNOUNCEMENTS**

When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, U.S. Department of Education grantees shall clearly state:

- 1) the percentage of the total costs of the program or project which will be financed with Federal money;
- 2) the dollar amount of Federal funds for the project or program; and
- 3) the percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," October 1, 2009.

**REGISTRATION OF UNIQUE ENTITY IDENTIFIER (UEI) NUMBER AND TAXPAYER
IDENTIFICATION NUMBER (TIN) IN THE SYSTEM FOR AWARD MANAGEMENT (SAM)**

The U.S. Department of Education (Department) Grants Management System (G5) disburses payments via the U.S. Department of Treasury (Treasury). The U.S. Treasury requires that we include your Tax Payer Identification Number (TIN) with each payment. Therefore, in order to do business with the Department you must have a registered Unique Entity Identifier (UEI) and TIN number with the SAM, the U.S. Federal Government's primary registrant database. If the payee UEI number is different than your grantee UEI number, both numbers must be registered in the SAM. Failure to do so will delay the receipt of payments from the Department.

A TIN is an identification number used by the Internal Revenue Service (IRS) in the administration of tax laws. It is issued either by the Social Security Administration (SSA) or by the IRS. A Social Security number (SSN) is issued by the SSA whereas all other TINs are issued by the IRS.

The following are all considered [TINs according to the IRS](#).

- Social Security Number "SSN"
- Employer Identification Number "EIN"
- Individual Taxpayer Identification Number "ITIN"
- Taxpayer Identification Number for Pending U.S. Adoptions "ATIN"
- Preparer Taxpayer Identification Number "PTIN"

If your UEI number is not currently registered with the SAM, you can easily register by going to www.sam.gov. Please allow 3-5 business days to complete the registration process. If you need a new TIN, please allow 2-5 weeks for your TIN to become active. If you need assistance during the registration process, you may contact the SAM Federal Service Desk at 866-606-8220.

If you are currently registered with SAM, you may not have to make any changes. However, please take the time to validate that the TIN associated with your UEI is correct.

If you have any questions or concerns, please contact the G5 Hotline at 888-336-8930.

SYSTEM FOR AWARD MANAGEMENT AND UNIVERSAL IDENTIFIER REQUIREMENTS**1. Requirement for System for Award Management (SAM)**

Unless you are exempted from this requirement under 2 CFR 25.110, you are, in accordance with your grant program's Notice Inviting Applications, required to maintain an active SAM registration with current information about your organization, including information on your immediate and highest level owner and subsidiaries, as well as on all predecessors that have been awarded a Federal contract or grant within the last three years, if applicable, at all times during which you have an active Federal award or an application or plan under consideration by a Federal awarding agency. To remain registered in the SAM database after your initial registration, you are required to review and update your information in the SAM database on an annual basis from the date of initial registration or subsequent updates to ensure it is current, accurate and complete.

2. Requirement for Unique Entity Identifier (UEI) Numbers

If you are authorized to make subawards under this award, you:

1. Must notify potential subrecipients that they may not receive a subaward from you unless they provided their UEI number to you.
2. May not make a subaward to a subrecipient when the subrecipient fails to provide its UEI number to you.

3. Definitions

For purposes of this award term:

1. System for Award Management (SAM) means the Federal repository into which a recipient must provide information required for the conduct of business as a recipient. Additional information about registration procedures may be found at the SAM internet site (currently at <https://www.sam.gov>).
2. Unique Entity Identifier (UEI) means the identifier assigned by SAM registration to uniquely identify business entities.
3. Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients. See 2 CFR 200.86.
4. Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract. See 2 CFR 200.92.

5. Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency. See 2 CFR 200.93.

PARTICIPATION OF FAITH-BASED ORGANIZATIONS

1. A faith-based organization that participates in this program retains its independence from the Government and may continue to carry out its mission consistent with religious freedom and conscience protections in Federal law.
2. A faith-based organization may not use direct Federal financial assistance from the Department to support or engage in any explicitly religious activities except when consistent with the Establishment Clause of the First Amendment and any other applicable requirements. Such an organization also may not, in providing services funded by the Department, or in outreach activities related to such services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.
3. If a grantee under a discretionary grant program of the Department has the authority under the grant to select a private organization to provide services supported by direct Federal financial assistance under the program by subgrant, contract, or other agreement, the grantee must ensure compliance with applicable Federal requirements governing contracts, grants, and other agreements with faith-based organizations, including, as applicable, (Education Department General Administrative Regulations) EDGAR §§ 75.52 and 75.532, Appendices A and B to 34 C.F.R. Part 75, and 2 C.F.R. § 3474.15 (see EDGAR § 75.714).

WRITTEN NOTICE OF BENEFICIARY PROTECTIONS

In accordance with the Education Department General Administrative Regulations (EDGAR), 34 C.F.R. § 75.712, all grantees providing social services under a Department program supported by direct Federal financial assistance (e.g., programs that provide or support employment, independent living, education, or related services to individuals or groups of individuals) must give written notice to a beneficiary or prospective beneficiary of certain protections.

The written notice that an organization uses to notify beneficiaries or prospective beneficiaries of certain religious non-discrimination protections must include language substantially similar to that in [Appendix C to 34 C.F.R. Part 75](#). Grantees have discretion regarding how to provide the notice, which may include providing the notice directly to each beneficiary, posting it on the grantee's website, or other means. A grantee or subgrantee that participates in multiple Department programs may provide a single notice covering all applicable programs. Additionally, grantees must ensure that the notice is accessible to individuals with disabilities and limited English proficient individuals as required by law. **Unless notified by the applicable program office, a grantee is not required to include in the notice the information in paragraph (5) of Appendix C to 34 C.F.R. Part 75 , i.e., the opportunity of a beneficiary to receive information about other similar providers.**

2. Unless disallowed by statute or regulation, a grantee will complete item 10(m) or 10(n) in accordance with the options or combination of options as provided in 34 CFR 74.24(a)-(h) and 34 CFR 80.25(a)-(h). A grantee is permitted, in accordance with 34 CFR 74.24(a)-(h) and 34 CFR 80.25(a)-(h), to add program income to its Federal share to further eligible project or program objectives, use program income to finance the non-Federal share of the project or program; and deduct program income from the Federal share of the total project costs.
3. A grantee will complete item 11(a) by listing the rate type identified in its indirect cost rate agreement, as approved by its cognizant agency. An ED grantee that does not have an indirect cost rate agreement approved by its cognizant agency, and that is using the ED approved temporary rate of 10% of budgeted direct salaries and wages, must list its rate in 11(a) as an ED Temporary Rate. A training program grantee whose recovery of indirect cost is limited to 8% of a modified total direct cost base in accordance with EDGAR § 75.562 (c), must list its rate as an ED Training Grant Rate. A restricted rate program grantee (such as one with a supplement-not-supplant grant provision) that has not negotiated an indirect cost agreement with its cognizant agency and that has limited the recovery of indirect costs in accordance with 34 CFR 75.563 and 76.564 (c), must list its rate as an ED Restricted Rate.
4. Quarterly, semi-annual, and annual interim reports shall be due within 45 days after the end of the reporting period. Although the Office of Management and Budget (OMB) published in its December 7, 2007 Federal Register Notice (72 FR 69236) that interim reports are due within 45 days of the interim reporting end dates instead of within 30 days as originally identified, OMB has not revised the FFR instructions to reflect this change. Grantees are, nevertheless, permitted to exercise the 45 day period as published by OMB

within the Federal Register. Final reports shall be due no later than 90 days after the project or grant period end date. Extensions of reporting due dates may be approved by the program office upon request by the grantee.

5. If grantees need additional space to report financial information, beyond what is available within the FFR, they should provide supplemental pages. These additional pages must indicate the following information at the top of each page: Federal Grant or other identifying number, recipient organization, Data Universal Number System (DUNS) number, Employer Identification Number (EIN), and period covered by the report.

One original and one copy of all reports should be mailed to:

KEY FINANCIAL MANAGEMENT REQUIREMENTS FOR DISCRETIONARY GRANTS AWARDED BY THE DEPARTMENT OF EDUCATION

The Department expects grantees to administer Department grants in accordance with generally accepted business practices, exercising prudent judgment so as to maintain proper stewardship of taxpayer dollars. This includes using fiscal control and fund accounting procedures that insure proper disbursement of and accounting for Federal funds. In addition, grantees may use grant funds only for obligations incurred during the funding period.

Title 2 of the Code of Federal Regulations Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," establishes requirements for Federal awards made to non-Federal entities. The Education Department General Administrative Regulations in 34 CFR (EDGAR) 75, 76, 77, 79, 81, 82, 84, 86, 97, 98, and 99 contain additional requirements for administering discretionary grants made by this Department. The most recent version of these regulations may be accessed at the following URLs:

[The Education Department General Administrative Regulations \(EDGAR\)](#)

[2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards](#)

The information on page 2, "Selected Topics in Administering Department Discretionary Grants," highlights major administrative requirements of 2 CFR Part 200. In addition, a few of the topics discuss requirements that the Department imposes on its discretionary grantees under EDGAR, Part 75 (Direct Grants). The specific sections of 2 CFR Part 200 and of EDGAR that address the topics discussed are shown in parentheses. The Department urges grantees to read the full text of these and other topics in EDGAR and in 2 CFR Part 200.

Grantees are reminded that a particular grant might be subject to additional requirements of the authorizing statute for the program that awarded the grant and/or any regulations issued by the program office. Grantees should become familiar with those requirements as well, because program-specific requirements might differ from those in 2 CFR Part 200 and in EDGAR.

The Department recommends that the project director and the fiscal management staff of a grantee organization communicate frequently with each other about the grant budget. Doing so will help to assure that you use Federal funds only for those expenditures associated with activities that conform to the goals and objectives approved for the project.

Grantees may direct any questions regarding the topics discussed on page 2, "Selected Topics in Administering Department Discretionary Grants," or about any other aspect of administering your grant award to the Department program staff person named in Block 3 of the Grant Award Notification.

SELECTED TOPICS IN ADMINISTERING DEPARTMENT DISCRETIONARY GRANTS**I. Financial Management Systems (2 CFR Part 200.302)**

In general, grantees are required to have financial management systems that:

- * provide for accurate, current, and complete disclosure of results regarding the use of funds under grant projects;
- * provide adequate source documentation for Federal and non-Federal funds used under grant projects;
- * contain procedures to determine the allowability, allocability, and reasonableness of obligations and expenditures made by the grantee; and
- * enable the grantee to maintain effective internal control and fund accountability procedures, e.g., requiring separation of functions so that the person who makes obligations for the grantee is not the same person who signs the checks to disburse the funds for those obligations.

State systems must account for funds in accordance with State laws and procedures that apply to the expenditure of and the accounting for a State's own funds. A State's procedures, as well as those of its subrecipients and cost-type contractors, must be sufficient to permit the preparation of reports that may be required under the award as well as provide the tracing of expenditures to a level adequate to establish that award funds have not been used in violation of any applicable statutory restrictions or prohibitions.

II. Federal Payment (2 CFR Part 200.305)

Under this part --

- * the Department pays grantees in advance of their expenditures if the grantee demonstrates a willingness and ability to minimize the time between the transfer of funds to the grantee and the disbursement of the funds by the grantee;
- * grantees repay to the Federal government interest earned on advances; and
- * grantees, generally, must maintain advance payments of Federal awards in interest bearing accounts.

In general, grantees should make payment requests frequently, only for small amounts sufficient to meet the cash needs of the immediate future.

The Department has recently encountered situations where grantees failed to request funds until long after the grantee actually expended its own funds for the costs of its grant. Grantees need to be aware that, by law, Federal funds are available for grantees to draw down for only a limited period of time, after which the funds revert to the U.S. Treasury. In some cases grantees have requested funds too late for the Department to be able to pay the grantees for legitimate costs incurred during their project periods.

The Department urges financial managers to regularly monitor requests for payment under their grants to assure that Federal funds are drawn from the Department G5 Payment System at the time those funds are needed for payments to vendors and employees.

III. Personnel (EDGAR §§ 75.511-75.519 and 2 CFR Part 200 Subpart D and E)

The rules governing personnel costs are located in EDGAR Part 75 and 2 CFR Part 200 Subparts D and E. Part 75 covers issues such as paying consultants with grant funds, prohibiting dual compensation of staff, and waiving the requirement for a full-time project director. The rules clarifying changes in key project staff are located in 2 CFR Part 200.308 (c)(2). General rules governing reimbursement of salaries and compensation for staff working on grant projects are addressed in the cost principles in 2 CFR Part 200 Subpart D and E. In all cases, payments of any type to personnel must be supported by complete and accurate records of employee time and effort. For those employees that work on multiple functions or separately funded programs or projects, the grantee must also maintain time distribution records to support the allocation of employee salaries among each function and separately funded program or project.

IV. Cost Principles (2 CFR Part 200 Subpart E)

All costs incurred under any grant are subject to the cost principles found in 2 CFR Part 200 Subpart E. The cost principles provide lists of selected items of allowable and unallowable costs, and must be used in determining the allowable costs of work performed under the grant.

V. Procurement Standards (2 CFR Part 200.317-327)

Under 2 CFR Part 200.317, States are required to follow the procurement rules the States have established for purchases funded by non-Federal sources. When procuring goods and services for a grant's purposes, all other grantees may follow their own procurement procedures, but only to the extent that those procedures meet the minimum requirements for procurement specified in the regulations. These requirements include written competition procedures and codes of conduct for grantee staff, as well as requirements for cost and price analysis, record-keeping and contractor compliance with certain Federal laws and regulations. These regulations also require grantees to include certain conditions in contracts and subcontracts, as mandated by the regulations and statutes.

VI. Indirect Costs (EDGAR §§75.560-564 and 2 CFR Part 200.414)

In addition to the information presented below, see GAN ATTACHMENT 4 for additional information including restrictions related to temporary, de minimis, training, restricted, and program prescribed indirect cost rates.

A. Unrestricted Indirect Cost Rate

To utilize an unrestricted indirect cost rate, a grantee must have an indirect cost agreement with its cognizant agency, submit an indirect cost rate proposal to its cognizant agency for indirect

costs (cognizant agency) within 90 days after the award of this grant or elect to utilize the de minimis rate under 2 CFR § 200.414(f) or the temporary indirect cost rate (subject to limitations described below).

The grantee must provide proof of its negotiated indirect cost rate agreement to the Department as soon as it has signed such an agreement with its cognizant agency.

B. Temporary Indirect Cost Rate

A grantee that does not have a current negotiated indirect cost rate agreement may recover indirect costs at a temporary rate, which is limited to 10% of budgeted direct salaries and wages (See 34 CFR § 75.560(c)); or it may choose not to charge indirect costs to the grant. The temporary rate can only be used for 90 days unless the exceptional circumstances apply under 34 CFR § 75.560(d)(2).

If the grantee has not submitted its indirect cost proposal to its cognizant agency within the 90-day period, it may no longer recover indirect costs utilizing the temporary indirect cost rate until it has negotiated an indirect cost rate agreement with its cognizant agency. Once a grantee obtains a federally recognized indirect cost rate that is applicable to this grant, the grantee may use that indirect cost rate to claim indirect cost reimbursement.

C. De minimis Indirect Cost Rate

Institutions of Higher Education (IHEs), federally-recognized Indian Tribes, State and Local Governments¹ receiving less than \$35 million in direct federal funding, and nonprofit organizations, if they do not have a current negotiated (including provisional) rate, and are not subject to the Department's training rate or restricted rate (supplement-not-supplant provisions) may elect to charge a de minimis indirect cost rate of 10% of modified total direct costs (MTDC). This rate may be used indefinitely.

MTDC consists of all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and contracts up to the first \$25,000 of each subaward (i.e., subgrant). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$25,000. Other items, including contract costs in excess of \$25,000, may be excluded when necessary to avoid a serious inequity in the distribution of indirect costs (see definition of MTDC at 2 CFR § 200.1).

Additionally, the de minimis rate may not be used by grantees that are subject to the Department's training indirect cost rate (34 CFR § 75.562) or restricted indirect cost rate. The de minimis rate may be used indefinitely. However, if a grantee chooses to use the de minimis rate to recover indirect costs, it must do so for all of its Federal awards until such time as the grantee negotiates an indirect cost rate with its cognizant agency. Once a grantee obtains a federally recognized indirect cost rate that is applicable to this grant, the grantee may use that indirect cost rate to claim indirect cost reimbursement.

¹ Note that a State-funded institution of higher education is not considered a "State government" for these purposes.

D. Programs with a Supplement-not-supplant requirement (restricted indirect cost rate)

A restricted program (i.e., programs with statutory supplement-not-supplant requirements) grantee must utilize a restricted indirect cost rate negotiated with its cognizant agency for indirect costs, or may elect to utilize a restricted indirect cost rate of 8% MTDC if their negotiated restricted indirect cost rate calculated under 34 CFR 75.563 and 76.564 – 76.569, is not less than 8% MTDC. A State or local government² that is a restricted program grantee may not elect to utilize the 8% MTDC rate. Additionally, restricted program grantees may not utilize the de minimis rate, but may utilize the temporary rate until a restricted indirect cost rate is negotiated.

E. Training Grant Indirect Cost Rate

If the grantee is a training grant recipient and is not a State, local, or Tribal government³, the grantee must negotiate a rate under 34 CFR 75.562. This provision limits indirect cost recovery to 8% of modified total direct costs or the grantees negotiated indirect cost rate, whichever is less.

The recovery using the training grant indirect cost rate is subject to the following limitations:

- i. The lesser of the 8% indirect cost rate or negotiated indirect cost rate also applies to sub-awards that fund training.
- ii. The 8% limit does not apply to agencies of Indian tribal governments, local governments, and States as defined in 2 CFR § 200.1, respectively.
- iii. Indirect costs in excess of the 8% limit may not be charged directly, used to satisfy matching or cost-sharing requirements, or charged to another Federal award.
- iv. A grantee using the training rate of 8% is required to have documentation available for audit that shows that its negotiated indirect cost rate is at least 8%.

F. Program-Specific Indirect Cost Rate

Grantees are required to follow program-specific statutory or regulatory requirements that mandate either indirect cost rate type or maximum administrative costs recovery instead of the general requirements described here.

VII. Audit Requirements (2 CFR Part 200 Subpart F)

2 CFR 200 Subpart F requires that grantees that are non-Federal entities (a State, local government, Indian tribe, IHE, or nonprofit organization that carries out a Federal award as a recipient or subrecipient) obtain a non-Federal audit of their expenditures under their Federal grants if the grantee expends more than \$750,000 in Federal funds in one fiscal year. 2 CFR Part 200 Subpart F contains the requirements imposed on grantees for

² Note that a State-funded institution of higher education is not considered a “State government” for these purposes.

³ Note that a State-funded institution of higher education is not considered a “State government” for these purposes; and a Tribal college or university funded by a federally-recognized Tribe is not considered a Tribe for these purposes.

audits done in connection with the law.

The Department recommends hiring auditors who have specific experience in auditing Federal awards under the regulations and the Compliance Supplement.

VIII. Other Considerations

Some other topics of financial management covered in 2 CFR Part 200 that might affect particular grants include program income (2 CFR Part 200.307), cost sharing or matching (2 CFR Part 200.306), property management requirements for equipment and other capital expenditures (2 CFR Parts 200.313, 200.439).

MEMORANDUM TO ED DISCRETIONARY GRANTEES

You are receiving this memorandum to remind you of Federal requirements, found in 2 CFR Part [200](#), *Uniform Administrative Requirements, Cost Principles, and Audit Requirements*, regarding cash drawdowns under your grant account.

For any cash that you draw from your Department of Education (*the Department*) grant account, you must:

- draw down only as much cash as is necessary to meet the immediate needs of the grant project;
- keep to the minimum the time between drawing down the funds and paying them out for grant activities; and
- return to the Government the interest earned on grant funds deposited in interest-bearing bank accounts except for a small amount of interest earned each year that your entity is allowed to keep to reimburse itself for administrative expenses).

In order to meet these requirements, you are urged to:

- take into account the need to coordinate the timing of drawdowns with prior internal clearances (e.g., by boards, directors, or other officials) when projecting immediate cash needs so that funds drawn down from ED do not stay in a bank account for extended periods of time while waiting for approval;
- monitor the fiscal activity (drawdowns and payments) under your grant on a continuous basis;
- plan carefully for cash flow in your grant project during the budget period and review project cash requirements before each drawdown; and
- pay out grant funds for project activities as soon as it is practical to do so after receiving cash from the Department.

Keep in mind that the Department monitors cash drawdown activity for all grants. Department staff will contact grantees who appear to have drawn down excessive amounts of cash under one or more grants during the fiscal quarter to discuss the particular situation. For the purposes of drawdown monitoring, the Department will contact grantees who have drawn down 50% or more of the grant in the first quarter, 80% or more in the second quarter, and/or 100% of the cash in the third quarter of the budget period. However, even amounts less than these thresholds could still represent excessive drawdowns for your particular grant activities in any particular quarter. Grantees determined to have drawn down excessive cash will be required to return the excess funds to the Department, along with any associated earned interest, until such time as the money is legitimately needed to pay for grant activities. If you need assistance with returning funds and interest, please contact the Department's G5 Hotline by calling 1-888-336-8930.

Grantees that do not follow Federal cash management requirements and/or consistently appear on the Department's reports of excessive drawdowns could be:

- subjected to specific award conditions or designated as a "high-risk" grantee [2 CFR Part [200.208](#) and 2 CFR [3474.10](#)], which could mean being placed on a "cash-reimbursement" payment method (i.e., a grantee would experience the inconvenience of having to pay for grant activities with its own money and waiting to be reimbursed by the Department afterwards);

- subject to further corrective action;
- denied selection for funding on future ED grant applications [EDGAR [75.217\(d\)\(3\)\(ii\)](#)]; and/or

THE USE OF GRANT FUNDS FOR CONFERENCES AND MEETINGS

You are receiving this memorandum to remind you that grantees must take into account the following factors when considering the use of grant funds for conferences and meetings:

- Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:
 - Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
 - Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
 - Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
- Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." In particular, remember that:
 - Federal grant funds cannot be used to pay for alcoholic beverages; and
 - Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
- Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant.
 - When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.
- A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business.
 - A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
- A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval.

- All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:

The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.
- Grantees are strongly encouraged to contact their project officer with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes.
 - A short conversation could help avoid a costly and embarrassing mistake.
- Grantees are responsible for the proper use of their grant awards and may have to repay funds to the Department if they violate the rules on the use of grant funds, including the rules for meeting- and conference-related expenses.

MEMORANDUM TO REMIND DEPARTMENT OF EDUCATION GRANTEES OF EXISTING CASH MANAGEMENT REQUIREMENTS CONCERNING PAYMENTS

The Department of Education (Department) requires that its grantees adhere to existing cash management requirements concerning payments and will ensure that their subgrantees are also aware of these policies by providing them relevant information. A grantee's failure to comply with cash management requirements may result in an improper payment determination by the Department in accordance with the [Payment Integrity Information Act \(PIIA\) of 2019](#).

There are three categories of payment requirements that apply to the drawdown of funds from grant accounts at the Department. The first two types of payments are subject to the requirements in the Treasury Department regulations implementing the Cash Management Improvement Act (CMIA) of 1990, 31 U.S.C.6513, and the third is subject to the requirements in the *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) at 2 CFR part 200,¹ as follows:

1. Payments to a State under programs that are covered by a State's Treasury State Agreement (TSA);
2. Payments to States under programs that are not covered by a TSA; and
3. Payments to other non-Federal entities, including nonprofit organizations and local governments.

CMIA Requirements Applicable to Programs included in a TSA

Generally, under the Treasury Department regulations implementing the CMIA, only major assistance programs (large-dollar programs meeting thresholds in 31 CFR § 205.5) are included in a State's written TSA. See 31 CFR § 205, subpart A. Programs included in a TSA must use approved funding techniques and both States and the Federal government are subject to interest liabilities for late payments. State interest liabilities accrue from the day federal funds are credited to a State account to the day the State pays out the federal funds for federal assistance program purposes. 31 CFR § 205.15. If a State makes a payment under a Federal assistance program before funds for that payment have been transferred to the State, Federal Government interest liabilities accrue from the date of the State payment until the Federal funds for that payment have been deposited to the State account. 31 CFR § 205.14.

CMIA Requirements Applicable to Programs Not Included in a TSA

Payments to States under programs not covered by a State's TSA are subject to subpart B of Treasury's regulations in 31 CFR § 205. These regulations provide that a State must minimize the time between the drawdown of funds from the federal government and their disbursement for approved program activities. The timing and amount of funds transfers must be kept to a minimum and be as close as is administratively feasible to a State's actual cash outlay for direct program costs and the proportionate share of any allowable indirect costs. 31 CFR § 205.33(a). States should exercise sound cash management in funds transfers to subgrantees.

¹ The Department adopted the Uniform Guidance as regulations of the Department at 2 CFR part 3474.

Under subpart B, neither the States nor the Department owe interest to the other for late payments. 31 CFR § 205.33(b). However, if a State or a Federal agency is consistently late in making payments, Treasury can require the program to be included in the State's TSA. 31 CFR § 205.35.

Fund transfer requirements for grantees other than State governments and subgrantees

The transfer of Federal program funds to grantees other than States and to subgrantees are subject to the payment and interest accrual requirements in the Uniform Guidance at 2 CFR § 200.305(b). These requirements are like those in subpart B of the Treasury Department regulations in 31 CFR part 205, requiring that "payments methods must minimize the time elapsing between the transfer of funds from the United States Treasury or the pass-through entity and the disbursement by the non-Federal entity." 2 CFR § 200.305(b) introduction.

The Federal Government and pass-through entities must make payments in advance of expenditures by grantees and subgrantees if these non-Federal entities maintain, or demonstrate the willingness to maintain, written procedures "that minimize the time elapsing between the transfer of funds and disbursement by the non-Federal entity, and financial management systems that meet the standards for fund control and accountability." 2 CFR § 200.305(b)(1). If a grantee or subgrantee cannot meet the criteria for advance payments, a Federal agency or pass-through entity can pay that entity through reimbursement. See 2 CFR § 200.305(b)(1) and (4) for more detailed description of the payment requirements and the standards for requiring that payments be made by reimbursement.

Non-Federal entities must maintain advance payments in interest bearing accounts unless certain conditions exist. See 2 CFR § 200.305(b)(8) for those conditions. The requirements regarding interest accrual and remittance follow:

Grantees and subgrantees must annually remit interest earned on federal advance payments except that interest earned amounts up to \$500 per year may be retained for administrative expense. Any additional interest earned on Federal advance payments deposited in interest-bearing accounts must be remitted annually to the Department of Health and Human Services Payment Management System (PMS) through an electronic medium using either Automated Clearing House (ACH) network or a Fedwire Funds Service payment. 2 CFR § 200.305(b)(9)(i) and (ii).

1. When returning interest through ACH Direct Deposit or Fedwire, grantees must include the following in their return transaction:
 - PMS Account Number (PAN). NOTE: The PAN is the same series of alpha-numeric characters used for payment request purposes (e.g.: C1234G1).
 - PMS document number.
 - The reason for the return (e.g., interest, part interest part other, etc.).
 - An explanation stating that the refund is for interest payable to the Department of Health and Human Services, and the grant number(s) for which the interest was earned.
- a. U.S. Department of Education grantees are generally located and operate domestically and return interest domestically. Below is PSC ACH account information for interest returned

domestically. For international ACH interest returned, account information is available at: Returning Funds/Interest.

- PSC ACH Routing Number is: 051036706
 - PSC DFI Accounting Number: 303000
 - Bank Name: Credit Gateway - ACH Receiver
 - Location: St. Paul, MN
- b. Service charges may be incurred from a grantee's financial institution when a Fedwire to return interest is initiated. For FedWire returns, Fedwire account information is as follows:
- Fedwire Routing Number: 021030004
 - Agency Location Code (ALC): 75010501
 - Bank Name: Federal Reserve Bank
 - Treas NYC/Funds Transfer Division
 - Location: New York, NY
2. Interest may be returned by check using only the U.S. Postal Service; however, returning interest via check may take 4-6 weeks for processing before a check payment may be applied to the appropriate PMS account.
- a. Interests returned by check are to be mailed (USPS only) to:
- HHS Program Support Center
PO Box 979132
St. Louis, MO 63197
- A brief statement explaining the nature of the return must be included.
- b. To return interest on a grant not paid through the PMS, make the check payable to the Department of Health and Human Services, and include the following with the check:
- An explanation stating that the refund is for interest
 - The name of the awarding agency
 - The grant number(s) for which the interest was earned
 - The return should be made payable to: Department of Health and Human Services.
3. For detailed information about how to return interest, visit the PSC Returning Funds/Interest page at: [Returning Funds/Interest](#)

Grantees, including grantees that act as pass-through entities and subgrantees have other responsibilities regarding the use of Federal funds. For example, all grantees and subgrantees must have procedures for determining the allowability of costs for their awards. We highlight the following practices related to the oversight of subgrantee compliance with the financial management requirements in the Uniform Guidance that will assist State grantees (pass-through entities) in meeting their monitoring responsibilities. Under 2 CFR § 200.332, pass-through entities must –

**RECIPIENTS OF DEPARTMENT OF EDUCATION GRANTS AND COOPERATIVE AGREEMENTS
FREQUENTLY ASKED QUESTIONS ON CASH MANAGEMENT**

Q What are the Federal Laws and Regulations Regarding Payments to the States?

A The *Cash Management Improvement Act of 1990 (CMIA)* establishes interest liabilities for the Federal and State governments when the Federal Government makes payments to the States. See 31 U.S.C. 3335 and 6503. The implementing regulations are in Title 31 of the Code of Federal Regulations (CFR), Part 205, https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title31/31cfr205_main_02.tpl. Non-Federal entities other than States follow the rules on Federal payments set out in 2 CFR 200.305.

Q What is a Treasury-State Agreement (TSA)?

A A TSA documents the accepted funding techniques and methods for calculating interest agreed upon by the U.S. Department of the Treasury (Treasury) and a State. It identifies the Federal assistance programs that are subject to interest liabilities under the CMIA. The CMIA regulations specify a number of different funding techniques that may be used by a State but a State can negotiate with the Treasury Department to establish a different funding technique for a particular program. A TSA is effective until terminated and, if a state does not have a TSA, payments to the State are subject to the default techniques in the regulations that Treasury determines are appropriate.

Q What are the CMIA requirements for a program subject to a Treasury-State Agreement?

A Payments to a State under a program of the Department are subject to the interest liability requirements of the CMIA if the program is included in the State's Treasury-State Agreement (TSA) with the Department of Treasury. If the Federal government is late in making a payment to a State, it owes interest to the State from the time the State spent its funds to pay for expenditure until the time the Federal government deposits funds to the State's account to pay for the expenditure. Conversely, if a State is late in making a payment under a program of the Department, the State owes interest to the Federal government from the time the Federal government deposited the funds to the State's account until the State uses those funds to make a payment. For more information, GAN Enclosure 4.

Q What are the CMIA requirements for a program that is not subject to a Treasury-State Agreement?

A If a program is not included in the State's TSA, neither the State nor the Federal government are liable for interest for making late payments. However, both the Federal government and the State must minimize the time elapsing between the date the State requests funds and the date that the funds are deposited to the State's accounts. The State is also required to minimize the time elapsed between the date it receives funds from the Federal government and the date it makes a payment under the program. Also, the Department must minimize the amount of funds transferred to a State to only that needed to meet the immediate cash needs of the State. The timing and amount of funds transferred must be as close as is administratively feasible to a State's actual cash outlay for direct program costs and the proportionate share of any allowable indirect costs.

Q What if there is no TSA?

- A** When a State does not have a TSA in effect, default procedures in 31 CFR, part 205 that the Treasury Department determines appropriate apply. The default procedures will prescribe efficient funds transfer procedures consistent with State and Federal law and identify the covered Federal assistance programs and designated funding techniques.

Q Who is responsible for Cash Management?

- A** Grantees and subgrantees that receive grant funds under programs of the Department are responsible for maintaining internal controls regarding the management of Federal program funds under the Uniform Guidance in 2 CFR 200.302 and 200.303. In addition, grantees are responsible for ensuring that subgrantees are aware of the cash management and requirements in 2 CFR part 200, subpart D.

Q Who is responsible for monitoring cash drawdowns to ensure compliance with cash management policies?

- A** Recipients must monitor their own cash drawdowns **and** those of their subrecipients to assure substantial compliance to the standards of timing and amount of advances.

Q How soon may I draw down funds from the G5 grants management system?

- A** Grantees are required to minimize the amount of time between the drawdown and the expenditure of funds from their bank accounts. (See 2 CFR 200.305(b).) Funds must be drawn only to meet a grantee's immediate cash needs for each individual grant. The G5 screen displays the following message:

By submitting this payment request, I certify to the best of my knowledge and belief that the request is based on true, complete, and accurate information. I further certify that the expenditures and disbursements made with these funds are for the purposes and objectives set forth in the applicable Federal award or program participation agreement, and that the organization on behalf of which this submission is being made is and will remain in compliance with the terms and conditions of that award or program participation agreement. I am aware that the provision of any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me, and the organization on behalf of which this submission is being made, to criminal, civil, or administrative penalties for fraud, false statements, false claims, or other violations. (U.S. Code Title 18, Section 1001; Title 20, Section 1097; and Title 31, Sections 3729-3730 and 3801-3812)

Q How may I use Federal funds?

- A** Federal funds must be used as specified in the Grant Award Notification (GAN) and the approved application or State plan for allowable direct costs of the grant and an allocable portion of indirect costs, if authorized.

Q What are the consequences to recipients/subrecipients for not complying with terms of the grant award?

- A** If a recipient or subrecipient materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, including those in 2 CFR part 200, an assurance, the GAN, or elsewhere, the awarding agency may in accordance with 2 CFR 200.339 take one or more of the following actions:

1. Temporarily withhold cash payments pending correction of the deficiency by the non-Federal entity or more severe enforcement action by the Federal awarding agency or pass-through entity.
2. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity not in compliance.
3. Wholly or partly suspend or terminate the Federal award.
4. Initiate suspension or debarment proceedings as authorized under 2 CFR part 180 and Federal award agency regulations (or in the case of a pass-through be initiated by a Federal awarding agency).
5. Withhold further Federal awards for the project or program.
6. Take other remedies that may be legally available.

Q Who is responsible for determining the amount of interest owed to the Federal government?

A As set forth in 31 CFR 205.9, the method used to calculate and document interest liabilities is included in the State's TSA. A non-State entity must maintain advances of Federal funds in interest-bearing accounts unless certain limited circumstance apply and remit interest earned on those funds to the Department of Health and Human Services, Payment Management System annually. See 2 CFR 200.305.

Q What information should accompany my interest payment?

A In accordance with 2 CFR 200.305(b)(9), interest in excess of \$500.00 earned on Federal advance payments deposited in interest-bearing accounts must be remitted annually to the Department of Health and Human Services Payment Management System (PMS) through an electronic medium using either Automated Clearing House (ACH) network or a Fedwire Funds Service payment.

For returning interest on Federal awards paid through PMS, the refund should:

- (a) Provide an explanation stating that the refund is for interest;
- (b) List the PMS Payee Account Number(s) (PANs);
- (c) List the Federal award number(s) for which the interest was earned; and
- (d) Make returns payable to: Department of Health and Human Services.

For returning interest on Federal awards not paid through PMS, the refund should:

- (a) Provide an explanation stating that the refund is for interest;
- (b) Include the name of the awarding agency;
- (c) List the Federal award number(s) for which the interest was earned; and
- (d) Make returns payable to: Department of Health and Human Services.

For additional information about returning interest see GAN ATTACHMENT 4.

Q Are grant recipients/subrecipients automatically permitted to draw funds in advance of the time they need to disburse funds in order to liquidate obligations?

A The payment requirements in 2 CFR 200.305(b) authorize a grantee or subgrantee to request funds in advance of expenditures if certain conditions are met. However, if those conditions are not met, the Department and a pass-through agency may place a payee on reimbursement.

Q For formula grant programs such as ESEA Title I, for which States distribute funds to LEAs, may States choose to pay LEAs on a reimbursement basis?

A A subgrantee must be paid in advance if it meets the standards for advance payments in 2 CFR 200.305(b)(1) but if the subgrantee cannot meet those standards, the State may put the subgrantee on reimbursement payment. See 2 CFR 200.305(b).

Q Will the Department issue special procedures in advance if G5 plans to shut down for 3 days or more?

A Yes, before any shutdown of G5 lasting three days or more, the Department issues special guidance for drawing down funds during the shut down. The guidance will include cash management improvement act procedures for States and certain State institutions of higher education and procedures for grants (including Pell grants) that are not subject to CMIA.

RE: Grant Award Termination

Dear Joe Simpson :

This letter provides notice that the United States Department of Education is terminating your federal award, S283B240050. See 2 C.F.R. § 200.340-43; see also 34 C.F.R. § 75.253.

It is a priority of the Department of Education to eliminate discrimination in all forms of education throughout the United States. The Acting Secretary of Education has determined that, per the Department's obligations to the constitutional and statutory law of the United States, this priority includes ensuring that the Department's grants do not support programs or organizations that promote or take part in diversity, equity, and inclusion ("DEI") initiatives or any other initiatives that unlawfully discriminate on the basis of race, color, religion, sex, national origin, or another protected characteristic. Illegal DEI policies and practices can violate both the letter and purpose of Federal civil rights law and conflict with the Department's policy of prioritizing merit, fairness, and excellence in education. In addition to complying with the civil rights laws, it is vital that the Department assess whether all grant payments are free from fraud, abuse, and duplication, as well as to assess whether current grants are in the best interests of the United States.

The grant specified above provides funding for programs that promote or take part in DEI initiatives or other initiatives that unlawfully discriminate on the basis of race, color, religion, sex, national origin, or another protected characteristic; that violate either the letter or purpose of Federal civil rights law; that conflict with the Department's policy of prioritizing merit, fairness, and excellence in education; that are not free from fraud, abuse, or duplication; or that otherwise fail to serve the best interests of the United States. The grant is therefore inconsistent with, and no longer effectuates, Department priorities. See 2 C.F.R. § 200.340(a)(4); see also 34 C.F.R. § 75.253. Therefore, pursuant to, among other authorities, 2 C.F.R. § 200.339-43, 34 C.F.R. § 75.253, and the termination provisions in your grant award, the Department hereby terminates grant No. S283B240050 in its entirety effective 2/19/2025.

The Department of Education's mission is to promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.

ED 001253

If you wish to object to or challenge this termination decision, you must submit information and documentation supporting your position in writing within 30 calendar days of the date of this termination notice. Objections and challenges must be sent by email and first-class mail and addressed to the component head that oversees the grantmaking unit, which will typically be the Assistant Secretary of that unit. In this case, please address your objection or challenge to Ruth Ryder, Acting Assistant Secretary; Office of Elementary and Secondary Education; 400 Maryland Ave., SW; Washington, D.C. 20202; ruth.ryder@ed.gov.

Your appeal should contain the following:

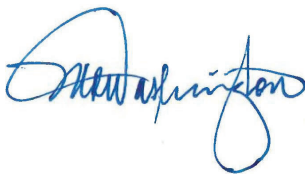

1. a copy of the written notice of termination;
2. the date you received written notice of termination;
3. a brief statement of your argument and the disputed factual, legal, or other issues;
4. the amount of funds or costs in dispute, if any; and
5. any other relevant documents.

See id. § 200.342.

Costs incurred by you after this termination are allowable only if (a) those costs were properly incurred by you before the effective date of this termination, and not in anticipation of it; and (b) those costs would be allowable if your federal award was not suspended or expired normally at the end of the period of performance in which the termination takes effect. *See* 2 C.F.R. § 200.343. You are encouraged to carefully review and discharge your closeout responsibilities set forth in 2 C.F.R. § 200.344-45 and your award agreement. Those responsibilities include, but are not limited to, your obligation to “promptly refund any unobligated funds” that have been paid out but “are not authorized to be retained.” *See* 2 C.F.R. § 200.344(g). Failure to do so will result in the Department filing a report documenting your “material failure to comply with the terms and conditions of” this award on SAM.gov and taking any other appropriate enforcement actions. *See id.* § 200.344(i).

Finally, you are reminded of your duties under your agreement and Department of Education guidance regarding retention of grant records for at least three years.

Respectfully,

Mark Washington

U.S. Department of Education

Acting Assistant Secretary Ryder,

McREL International (McREL) submits this appeal¹ of the termination of PR/Award # S283B240050 (Region 8 [Central] Comprehensive Center [CC]) pursuant to 2 CFR § 200.342 and the U.S. Department of Education's Grant Termination Appeal Procedures.² McREL received notice of the Department's decision to terminate S283B240050 on February 19, 2025. With this appeal, we seek reinstatement of the five-year award. The amount of funds in dispute are as follows: The total five-year grant award amount is \$11,897,855, which is broken down equally by fiscal year with grant awards of \$2,379,571 in FY2025, \$2,379,571 in FY2026, \$2,379,571 in FY2027, \$2,379,571 in FY2028, and \$2,379,571 in FY2029.

McREL, founded in 1966, is a private, nonprofit organization headquartered in Denver, Colorado. Our extensive experience as a trusted provider of research, evaluation, and technical assistance in the Central Region includes 19 years serving as the grantee for the Region 11 and 12 CCs (2019–2024) and the North Central CC (2005–2019), as well as 40-plus years operating the Regional Educational Laboratory for the Central Region (REL Central) (1966–2012). McREL submitted its application to lead the FY2025–2029 Region 8 CC on June 21, 2024.

We received a Grant Award Notification (GAN) for the Region 8 CC on September 25, 2024. The grant included a period of performance from October 1, 2024 to September 30, 2029. With respect to any potential termination of the award, the sole references to termination were that the Department could terminate if “a recipient or subrecipient materially fails to comply with any term of an award,” or if “the grantee, its employees, or its subrecipients” engaged in prohibited trafficking in persons. In the cooperative agreement that we subsequently entered into, the sole reference to potential termination was that “failure to comply with the content of this agreement may result in . . . suspending or terminating the award, pursuant to 2 CFR §200.339-343.”

In the months following receipt of the GAN, McREL's Region 8 CC Director and Deputy Directors met regularly with the Department's Program Officer Rebekka "Bekka" Meyer, participated in virtual meetings held by the Office of Program and Grantee Support Services (PGSS), and attended the in-person project directors meeting held in Washington, D.C. in November 2024. Region 8 CC leadership also collaborated with each state's chief school officer or designee to confirm priorities and the focus for an annual service plan (ASP) for each state, and identify prospective Region 8 CC advisory board members. Draft ASPs were submitted to PGSS on January 24, 2025 along with the Region 8 CC's Year 1 budget and draft communications and dissemination plan. On February 7, 2025, during a regularly scheduled check-in call with Region 8 CC leadership, Program Officer Bekka Meyer stated that PGSS feedback on the ASPs was forthcoming and that the scheduled February 14, 2025 submission of updated ASPs would be delayed to allow additional time for review.

On February 19, 2025, McREL received notice that the Department was terminating our award under the Comprehensive Center program. Awards covering eighteen (18) of the twenty (20) Comprehensive Centers were terminated with identical notices alleging that the award "provides funding for programs that promote or take part in DEI initiatives or other initiatives that unlawfully discriminate on the basis of race, color, religion, sex, national origin, or another protected characteristic; that violate either the letter or purpose of Federal civil rights law; that conflict with the Department's policy of prioritizing merit, fairness, and excellence in education; that are not free from fraud, abuse, or duplication; or that otherwise fail to serve the best interests of the United States."³ Prior to receiving this notification, we had no indication that the Department had any concerns with our implementation of the award. In fact, Program Officer Bekka Meyer, in her reply to email communication from Project Director Joe Simpson confirming receipt of the termination notice and revised GAN, stated that she enjoyed and was grateful for her work with Project Director Simpson.⁴

For the reasons described below, the termination of our grant was contrary to multiple statutes, constitutional provisions, and regulations, and was also arbitrary and capricious. We respectfully request that the Department reinstate our grants immediately so we can continue to serve the students, teachers, and communities of the Region 8 (Central) CC.

1. The Termination Violates Department Regulations

In its termination notice, the Department cited a provision of the Uniform Grants Guidance, 2 CFR § 200.340(a)(4), as the legal authority for terminating the grant. The Department claimed that this provision authorizes the Department to terminate a grant that is "inconsistent with, and no longer effectuates, Department priorities." That provision, however, does not authorize the Department to terminate this award based on "Department priorities."

The Department of Education adopts the Office of Management and Budget's (OMB's) Uniform Grants Guidance to serve as the Department's own regulations for federal financial assistance awards. 2 CFR § 3474.1(a). In 2024, OMB revised the Uniform Grants Guidance with an effective date of October 1, 2024. The Department confirmed that the revised Uniform Grants

³ A copy of our termination letter and GAN cancellation is attached as Appendix A to this letter.

⁴ Attached as Appendix B, please find a copy of this communication.

Guidance applied to “[a]ny Discretionary grant” awarded by the Department “with a performance period start date on or after October 1, 2024.” *Dep’t of Education, Frequently Asked Questions*, 2 CFR Part 200, at Q-4.⁵ Because the period of performance for this grant began on October 1, 2024, the revised Uniform Grant Guidance applies.

Under the revised Uniform Grants Guidance, the Department may terminate an award based on “program goals or agency priorities” only where such grounds for termination are “clearly and unambiguously” stated in the terms and conditions of the individual award. 2 CFR § 200.340(a)(4), (b); *see also* 89 Fed. Reg. 30046, 30089 (Apr. 22, 2024). There was no such clear and unambiguous language in this award. The terms and conditions make no mention at all that the Department could potentially terminate the award based on the Department’s “program goals or agency priorities.”

Because this ground for termination was not specified in the award, the Department’s termination of the grant was contrary to the Department’s applicable regulations and thus contrary to law. The grant must be reinstated in these circumstances. *See, e.g., Healthy Futures of Texas v. Dep’t of Health & Human Servs.*, 315 F. Supp. 3d 339, 348 (D.D.C. 2018); *Policy & Research, LLC v. Dep’t of Health & Human Servs.*, 313 F. Supp. 3d 62 (D.D.C. 2018); *Planned Parenthood of Greater Washington & N. Idaho v. Dep’t of Health & Human Servs.*, 328 F. Supp. 3d 1133 (E.D. Wash. 2018); *Healthy Teen Network v. Azar*, 322 F. Supp. 3d 647 (D. Md. 2018).

2. The Termination Violates the Statute Establishing Comprehensive Centers

In terminating eighteen (18) of the twenty (20) Comprehensive Center awards, including our award, the Department has violated the statute establishing the Comprehensive Center program.

Congress established the Comprehensive Centers through the Educational Technical Assistance Act of 2002. In that Act, Congress mandated that the Department must award “not less than” 20 grants to local entities or groups to serve as Comprehensive Centers. 20 U.S.C. § 9602(a)(1). The Act further directed that the Secretary of Education “shall ensure that not less than 1 comprehensive center is established in each of the 10 geographic regions served by the geographic regions served by the regional educational laboratories.” *Id.* § 9602(a)(2)(A).

Congress further created a detailed structure for the Comprehensive Center program, including regional advisory committees and directives on how the Comprehensive Centers would interact with the Department and local stakeholders. The complicated structure involves coordination with advisory boards, the Department, Regional Educational Laboratories, state agencies, and other regional providers. 20 U.S.C. §§ 9602(f)-(h). This type of coordination takes time and provides the specific mechanisms for each Comprehensive Center to ensure their work is reflective of and responsive to local needs. As such, although Congress did not directly mandate five-year grants, it did require grant applicants to include a five-year implementation plan. *Id.* § 9602(c)(2).

In terminating eighteen (18) out of the twenty (20) Comprehensive Center awards, the Department has effectively shut down this statutorily required program for FY2025, and the

⁵ <https://www.ed.gov/media/document/faqs-uniform-guidance-107433.pdf>

Department has not given any indication it intends to correct this violation for future years. Due to the terminations, the Department is failing to maintain “not less than 20 grants” for Comprehensive Centers, and is not “ensur[ing] that not less than 1 comprehensive center is established in each of the 10 geographic regions served by the regional educational laboratories,” as required by law. The congressional scheme requiring Comprehensive Centers, regional advisory councils, coordination with stakeholders, annual reports, and five-year programs has been abandoned. Because the complicated structure Congress created is time-consuming to implement, the only way to correct this violation of the Department’s statutory requirements is to immediately reinstate the terminated awards, including ours.

3. The Termination Was Arbitrary and Capricious

The termination of our grant is an “arbitrary and capricious” agency action in violation of the Administrative Procedure Act (APA). 5 U.S.C. § 706(2)(A).

The APA’s prohibition on arbitrary and capricious agency action requires agencies “to examine all relevant factors and record evidence, and to articulate a reasoned explanation for [their] decision[s].” *Am. Wild Horse Pres. Campaign v. Perdue*, 873 F.3d 914, 923 (D.C. Cir. 2017). To do so, “the agency must examine the relevant data and articulate a satisfactory explanation for its action including a ‘rational connection between the facts found and the choice made.’” *Motor Vehicle Mfrs. Ass’n of U.S., Inc. v. State Farm Mut. Auto. Ins. Co.*, 463 U.S. 29, 43 (1983). Agency action fails to satisfy this standard if the agency “failed to consider an important aspect of the problem, *id.*, or if it “offer[s] an explanation for its decision that runs counter to the evidence before the agency.” *Am. Wild Horse*, 873 F.3d at 923.

The Department’s termination notice claimed that our performance of the grant violated civil rights laws by promoting or engaging in DEI initiatives. The notice provided no specific examples how our performance under the grant constitutes unlawful action, nor could it have.

Rather, the Department appears to have simply relied on edited videos, posted to X by Christopher Rufo only hours before the termination,⁶ of alleged “race-based discrimination and gender identity ideology” promoted by Comprehensive Centers.⁷ The Department’s press release linked directly to Rufo’s posts. But the evidence cited by Rufo, and in turn the Department, has no rational connection to our performance under this grant and did not involve McREL whatsoever. Rather, the videos are from prior award cycles and at least in some instances, involved companies no longer participating in the Comprehensive Center program. Additionally, the descriptions of the videos are based on misleading editing by Rufo. These videos did not constitute fact finding related to our awards at all.

⁷ Press Release, *U.S. Department of Education Cancels Divisive and Wasteful Grants under the Comprehensive Centers Program* (Feb. 19, 2025).

Thus, the Department did not articulate a “rational connection between the facts found and the choice made” to terminate the Comprehensive Centers in the current grant cycle. *Motor Vehicle Mfrs. Ass’n*, 463 U.S. at 3 (1983). The Department clearly “offered an explanation for its decision that runs counter to the evidence before the agency.” *Am. Wild Horse Pres. Campaign*, 873 F.3d at 923. A handful of examples from prior award cycles – even if the descriptions of those projects had been accurate, which they are not – simply have no bearing on our work under this particular grant. The Department has pointed to no evidence or information concerning work under the current grant that could rationally explain a change in the agency’s decision to fund the grants. As such, the Department’s termination decision is arbitrary and capricious.

4. The Termination Violates the 2024 Appropriations Act and the Constitution

The termination is also unlawful because it violates the Further Consolidated Appropriations Act of 2024 (“the 2024 Appropriations Act”) and the constitutional separation of powers. In the 2024 Appropriations Act, Congress mandated that the Department spend a specific sum of money on the Comprehensive Center program, and the Department is violating that mandate by refusing to spend the money Congress appropriated.

Congress provided in the 2024 Appropriations Act that, of the \$5.78 billion lump-sum appropriated for carrying out school improvement activities, “\$50,000,000 shall be available to carry out Section 203 of the Educational Technical Assistance Act of 2002,” which is the Comprehensive Center program. Pub. L. 118-47, 138 Stat 460, 683 (Mar. 23, 2024). This “shall be available” language represents an earmark for the Comprehensive Center program. The Government Accountability Office (GAO) has held that this language means the agency must spend the earmarked amount on the designated program and may not divert it for other purposes covered by the lump-sum appropriation. GAO, *Small Business Administration—Availability of Appropriations for Loan Modernization and Accounting System*, B-326941, at 7 (Dec. 10, 2015).

Given that the Department has terminated eighteen (18) of the twenty (20) Comprehensive Center awards and has no intent to re-award the funds, the Department will surely fail to spend the \$50,000,000 mandated by Congress for this program before the funds expire on September 30, 2025. The failure to spend the full \$50,000,000 before expiration violates the 2024 Appropriations Act.

The Supreme Court has made clear that an agency’s failure to spend a specific sum of money mandated by Congress on a program is unlawful and will result in a court ordering the agency to spend the money. In *Train v. City of New York*, 420 U.S. 35 (1975), the Supreme Court held that President Nixon had unlawfully directed the Environmental Protection Agency not to expend the full amount of money that Congress directed be spent under a statute. The Court held that the agency lacked discretion to spend less than the full sums that Congress directed, and the Court accordingly affirmed an order directing the agency to spend those full sums. *See id.* at 42-49. Here, as in *Train*, Congress has directed the Department to spend a specific sum of money on the Comprehensive Center program, and the Department lacks discretion not to do so.

The Department’s failure to spend the money appropriated by Congress for the program also violates the constitutional separation of powers. The Constitution empowers Congress to make laws, U.S. Const. art. I, § 1, and requires the President to faithfully execute those laws, *id.* art. II,

§ 3. Congress’s powers to set the policies of the nation are at their apex when it comes to spending money, as the Constitution “exclusively grants the power of the purse to Congress, not the President. *City & Cnty. of San Francisco v. Trump*, 897 F.3d 1225, 1238 (9th Cir. 2018) (citing U.S. Const. art. I, §§ 8, 9).

From these first principles, it has been long recognized that Presidents have no inherent constitutional authority to block, amend, or subvert appropriations enacted into law by Congress. “[T]he President is without authority to thwart congressional will by canceling appropriations passed by Congress.” *San Francisco*, 897 F.3d at 1231; *see also In re Aiken Cnty.*, 725 F.3d 255, 261 n.1 (D.C. Cir. 2013) (Kavanaugh, J.) (explaining that “the President does not have unilateral authority to refuse to spend [appropriated] funds”).

Here, the Department lacked the constitutional authority to refuse to spend the money that Congress appropriated for the Comprehensive Center program. The termination thus violates the constitutional separation of powers.

5. The Termination Violates the Impoundment Control Act

The termination likewise violates the Impoundment Control Act of 1974 (ICA). That Act sets forth limited circumstances in which an agency may “defer” or “rescind” appropriated funds, none of which are met here.

Under the ICA, a “deferral” encompasses any “withholding or delaying the obligation or expenditure of” appropriated funds, as well as “any other type of Executive action or inaction which effectively precludes the obligation or expenditure of” appropriated funds. 2 U.S.C. § 682(1). When the Executive Branch wishes to defer funds, it must send a special message to Congress detailing the money to be deferred and the reasons for deferral. 2 U.S.C. § 684(a).

There are only three permissible grounds for deferrals: (1) “to provide for contingencies;” (2) “to achieve savings made possible by or through changes in requirements or greater efficiency of operations;” or (3) “as specifically provided by law.” 2 U.S.C. § 684(b). GAO has made clear that policy reasons, including efforts to ensure funds are spent consistent with the President’s policy preferences, are not a proper basis for deferrals. GAO, *Office of Management and Budget—Withholding of Ukraine Security Assistance*, B-331564, at 6 (Jan. 16, 2020).

Where the Executive Branch seeks to “rescind” appropriated funds, the ICA requires that the President send a special message to Congress specifying the funds he seeks to have rescinded and the reasons for his proposal. 2 U.S.C. § 683(a).

The termination here is both an unlawful rescission and an unlawful deferral. It is a rescission because, as explained above, the Department has rescinded grants that comprise the vast majority of the \$50,000,000 that Congress directed the Department to spend on the Comprehensive Center program, and the Department has no realistic way to spend those funds on the program before they expire on September 30, 2025. The Department thus has rescinded funds, without following the ICA’s required procedures for proposing a rescission.

The termination is also a textbook deferral. By terminating the grant and precluding performance of the award, the Department plainly is “withholding or delaying the obligation or expenditure

of” funds. 2 U.S.C. § 682(1). If the grant had not been terminated, the appropriated funds would be promptly spent, but now their expenditure is indefinitely delayed. The Department did not follow the ICA’s required procedure for notifying Congress of a deferral, nor could it have because the reason for the termination was, by the Department’s own admission, policy objections and not any of the ICA’s acceptable reasons for a deferral.

Nor can the termination constitute a “programmatic delay.” GAO has explained that “programmatic delays occur when an agency is taking necessary steps to implement a program, but because of factors external to the program, funds temporarily go unobligated.” B-331564, at 7. Programmatic delays are meant “to *advance* congressional budgetary policies by ensuring that congressional programs are administered efficiently.” *City of New Haven v. United States*, 809 F.2d 900, 909 (D.C. Cir. 1987). Permissible programmatic delays do not include when the Executive Branch withholds money “on its own volition” to “ensure compliance with presidential policy prerogatives.” B-331564, at 7. The delay in spending funds here was precisely to “ensure compliance with presidential policy prerogatives.” B-331564, at 7, and thus is not a programmatic delay.

The only way for the Department to cure this unlawful deferral is to immediately restore the grant and its distribution of funding. Any other action, such as re-competing the award, would take substantial time and add to the very delay that is underlying this violation.

6. The Termination Violates the Due Process Clause Because It Is Based on an Executive Order That Is Unconstitutionally Vague

Finally, the Department’s termination of our award clearly arose from the now-enjoined Executive Order (EO) directing agencies to terminate “DEI” grants and contracts. As a federal district court has already concluded, the termination provision of the EO is unconstitutionally vague, and the unconstitutionality of the EO renders the termination of our award unconstitutional as well.

As the Department is aware, on January 20, President Trump signed EO 14151, Ending Radical and Wasteful Government DEI Programs and Preferencing. Among other things, the EO directed agencies to terminate “equity-related” grants or contracts, but did not define DEI or “equity-related” or otherwise provide guidance on how to apply the directive. Just days after the EO, the Department announced that, “[f]ollowing President Trump’s recent Executive Orders,” the Department had taken action “to eliminate harmful Diversity, Equity, and Inclusion (DEI) initiatives.” The Department then made clear that it would “continue its comprehensive review of all agency programs and services to identify additional initiatives and working groups that may be advancing a divisive DEI agenda.” Press Release, *U.S. Department of Education Takes Action to Eliminate DEI* (Jan. 23, 2025).

That EO has now been preliminarily enjoined. *Nat’l Ass’n of Diversity Officers in Higher Educ. v. Trump*, No. 1:25-cv-00333-ABA, ECF No. 44 (D. Md. Feb. 21, 2025) (PI Ruling). The court found that the EO’s termination provision is likely unconstitutionally vague in violation of the Fifth Amendment’s Due Process Clause because the term “equity-related” created “the very real possibility of arbitrary and discriminatory enforcement,” and the EO did not provide grantees and contractors sufficient notice about “what, if anything, they can do to bring their grants into

compliance such that they are not considered ‘equity-related.’” See PI Ruling at 40-42. The injunction prohibits the agencies involved in the case, including the Department of Education, from terminating *any* contracts and grants based on the EO.

While the Department did not specifically cite the EO in our termination notification, the EO clearly was the driving force behind the termination. Indeed, the termination notification echoed the EO’s directive and broadly asserted that our work “promote[s] or take[s] part in DEI initiatives or other initiatives that unlawfully discriminate on the basis of race, color, religion, sex, national origin, or another protected characteristic.” There can be no dispute that the purported role of DEI in our work was the Department’s basis for ending the award.

For the same reasons that the district court found it likely that the EO is unconstitutionally vague on its face, the EO is unconstitutional as applied to the termination of our award. The termination certainly demonstrates “arbitrary enforcement.” None of the services that have been planned in collaboration with Region 8 CC state education agencies have a clear relationship to DEI or the goals of diversity, equity, or inclusion. The Comprehensive Centers take on work as requested by states and their districts and schools, aligned with statutory and Department-identified priorities. Moreover, the fact that two of the twenty (20) Comprehensive Centers were not terminated, for reasons not publicly explained, shows the arbitrariness of these terminations.

The termination letter also makes clear how little notice we had of what the EO actually covers. Our termination notice and the press release accompanying it are so devoid of relevant content that it is impossible to identify what standard the Department may have used, if indeed it used any standard at all, in deciding to terminate our award based on supposed DEI concerns. To this day, we have no additional information about why our award was terminated or what work the Department believed was “promoting or taking part in DEI initiatives.” The only information the Department has provided other than the non-specific language in the termination notice came through the press release in which the Department claimed that the Comprehensive Centers writ large “have been forcing radical agendas onto states and systems, including race-based discrimination and gender identity ideology.”⁸ The press release did not include a single example relating to our Comprehensive Center, nor could it have.

We simply do not engage in any activities that could be considered discriminatory. Rather, our slate of projects for this fiscal year include combatting chronic student absenteeism, a high-leverage need identified by Colorado Department of Education; reducing superintendent turnover in Kansas by building and scaling up an executive leadership development system; supporting the Nebraska Department of Education in its efforts to increase early childhood literacy by strengthening statewide educators’ use of evidence-based practices and interventions for K–3 literacy instruction; and improving working conditions in schools to increase retention of qualified teachers, a high-leverage need identified by the North Dakota Department of Public Instruction. These projects have been suspended to the detriment of states, schools, educators, and students.

⁸ Press Release, *U.S. Department of Education Cancels Divisive and Wasteful Grants under the Comprehensive Centers Program* (Feb. 19, 2025), <https://www.ed.gov/about/news/press-release/us-department-of-education-cancels-divisive-and-wasteful-grants-under-comprehensive-centers-program>.

Moreover, had the Department identified any activities it was concerned about, it had ample opportunity to provide that feedback and work with us to address any concerns moving forward. By design, each of our projects takes place at the request of the local community and only after approval from the Department. We were in the midst of that approval process when we received the termination notification, without any relevant concerns raised by the Department.

The termination of our award reflects the precise kind of arbitrary enforcement and lack of notice that formed the basis of the PI Ruling. The termination therefore violates the Due Process Clause.

For all of the reasons provided above, the Department's termination of our grant was unlawful, and the award should be immediately reinstated. Thank you for your time and consideration of this matter.

Sincerely,

Bryan Goodwin

RE: Grant Award Termination

Dear Joe Simpson :

This letter provides notice that the United States Department of Education is terminating your federal award, S283B240050. *See* 2 C.F.R. § 200.340-43; *see also* 34 C.F.R. § 75.253.

It is a priority of the Department of Education to eliminate discrimination in all forms of education throughout the United States. The Acting Secretary of Education has determined that, per the Department's obligations to the constitutional and statutory law of the United States, this priority includes ensuring that the Department's grants do not support programs or organizations that promote or take part in diversity, equity, and inclusion ("DEI") initiatives or any other initiatives that unlawfully discriminate on the basis of race, color, religion, sex, national origin, or another protected characteristic. Illegal DEI policies and practices can violate both the letter and purpose of Federal civil rights law and conflict with the Department's policy of prioritizing merit, fairness, and excellence in education. In addition to complying with the civil rights laws, it is vital that the Department assess whether all grant payments are free from fraud, abuse, and duplication, as well as to assess whether current grants are in the best interests of the United States.

The grant specified above provides funding for programs that promote or take part in DEI initiatives or other initiatives that unlawfully discriminate on the basis of race, color, religion, sex, national origin, or another protected characteristic; that violate either the letter or purpose of Federal civil rights law; that conflict with the Department's policy of prioritizing merit, fairness, and excellence in education; that are not free from fraud, abuse, or duplication; or that otherwise fail to serve the best interests of the United States. The grant is therefore inconsistent with, and no longer effectuates, Department priorities. *See* 2 C.F.R. § 200.340(a)(4); *see also* 34 C.F.R. § 75.253. Therefore, pursuant to, among other authorities, 2 C.F.R. § 200.339-43, 34 C.F.R. § 75.253, and the termination provisions in your grant award, the Department hereby terminates grant No. S283B240050 in its entirety effective 2/19/2025.
